“ *Today's Prayer for Gerri,*
Dear GOD, sometimes this world can be a puzzling place, filled with uncertainty and doubt. When I am unsure of my next step, keep me mindful that You are always near and that You can overcome any challenge. Give me faith, Father, and let me remember always that with Your love and Your power, I can live courageously and faithfully today and every day. Amen##imported-begin##Sarah Baldwin##imported-end##

“ I've known Gregory since Riverview School. Afterwards we went our seperate ways. We contacted each other last year (2011). We had a long conversation revealing events that occurred over the years. He told me about his illness. But he left his problems with the Lord.
