“ *I am so sorry for your loss. Although, I do not know your family personally, I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death and we will be able to see them again once they resurrected as per John 5:28-29. May these words give you a new hope.*

“ *May you feel God's presence and his precious love more than ever during this time of great loss. My prayers are with the family and loved ones. I say, "Trust in the Lord with all thine heart; lean not unto thine own understanding. In all thy ways acknowledge him and he will direct thy paths". God does all things well.*

“ *To the family, I know you are missing your dad but you can hold your head high because you showed your love and devotion for your dad when he needed it the most. God will forever keep you for being there for your dad. Keep your faith and never cease to pray and give thanks for the time you all spent together. Love , Ethel Ray and sons*

“ To my loving Family in this time of sorrow. I will like for you all to remeber that Uncle Grover lived his life to the fullest everyday. He loved like there was no tomorrow and laugh like he would never stop. His smile is one that you would have seen a mile away because he was always welcoming someone. He was a great provider as a father, grandfather, and uncle. He treated us all as we was one of his kids no matter where you saw him. He is at rest and peace now in a warm and loving enbrace from Aunt Queen. They now both watch over you and know you will be fine because he may not be here but he is always with you. So remember the good times, the laughs, the cries and most of all his love. Love you always
