“ I first met Mrs. Veale, when I was teaching at West Bertie, approximately thirty five(35) years ago. She was driving the school bus, for West Bertie Elementary School(K-8) at the time! I enjoyed talking with her, after school, and saw how much she loved her family! She truly had a sense of Humor, also. Mrs. Veale was always a beautiful, pleasant woman, with a kind heart! When I left West Bertie, once the two middle schools were created, and began teaching at C.G.White Middle School, I missed seeing her, on a daily basis.

Mrs. Veale’s personality, remained the same, many years later. She made sure to speak to me, or get my attention, whenever she saw me, usually in Ahoskie. Mrs. Veale never “switched up on Me, and I was thankful!” She remained the same person, that I was Blessed to meet, many years later.

My condolences go out to her family, especially her husband and children. They were a close knit family. “Take your Rest, my friend! You ran a Great race, and completed your course! God was waiting for you, with Open Arms!” ❤️

“ I was so sorry to hear about Gwen's passing. We were the best of friends back in the day. I had lost contact, but she was one of those people that you never forgot, a very special person. My sincere condolences to her husband, children, and entire family. May God comfort each one of you.
