“ *My Uncle Hersey was such a great man. He loved his family (blood relation and otherwise). He had a love for his wife that I'd not quite witnessed before in life. He was loyal to a fault. He had a big heart and did for others without looking for anything in return. He loved to cook and his food was enjoyed by many, as he cooked from the heart. He taught me and my siblings very important lessons that we have kept with us until this very day. He helped shape us into the productive and successful people we are today. My Uncle will forever be in my heart and the hearts of many others.* 💜💜💜💜💜
