*Aunt Yvonne, Shanny, Angie, and Kendra,*

*Firstly, apologies for posting this tribute deleterious. With the hustle and bustle of life I am just now sitting down to put pen to paper.*

*As I shared at Uncle Hersey's Celebration of Life our hearts too are heavy with Uncle Hersey's passing. As you know better than anyone else he was a quiet man by nature and chose to listen more than talk. He was committed to you and the girls. He often spoke of the times they and he shared; especially when they were younger.*

*I remember many things that brought joy to him, but how he loved coming to North Carolina and eating Herring Fish. Along with visiting with family in and around the Northampton County Area.*

*You are family today, and will continue to be family. We are better off for having welcomed you into our family. You are caring, a giver, and committed to whatever endeavor you undertake.*

*Again, thanks for being Uncle Hersey's rock when he needed you most. Wherever, with whomever, and whenever the roads of life take you my best to you. My family and I wish you love, peace, and all you desire to have and behold.*

*You are a woman of faith and therefore linked into GOD above. That link will be your rock in days to come as you grieve.*

*We continue to be here for you today, tomorrow, and forever. With that attestation JO Ann, Kellie, Alvin Jr, Camron, and I send our love and prayers.*

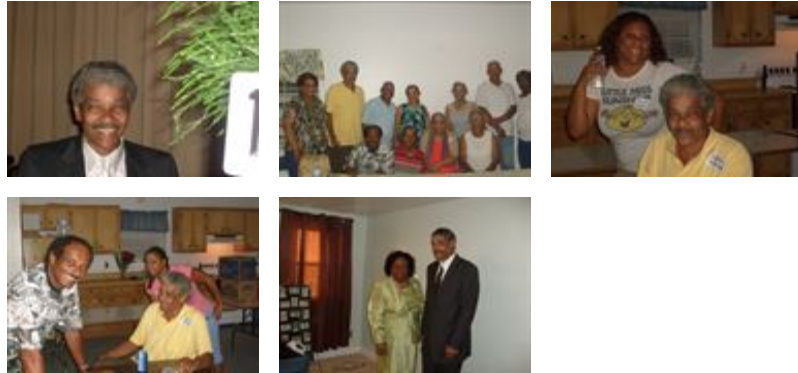

*Alvin Martin Sr.*
