“ Marilyn,

We were all so sorry to hear of Bobby's passing. We loved him dearly and even more so we were all big "fans" of his. It seemed like he was around us for as long as I can remember and all good, happy fun memories. Bobby brought me my first 2 wheel bike from TSS stores. We were always happy to look up and see Bobby. When you guys came to Dunn to see us when Mama passed it was the same good feeling as always to look up and see you both even at was what was clearly our lowest point. Bobby has absolutely been one of the best people I have known in this life very genuine truly one of the best. I spoke with him on the phone from the hospital not too long ago and he said that however things played out he was not afraid and that really stuck with me so I hope you find comfort in knowing that. Our prayers are with you all.

*Love,
Sharon, Bob, Rodney Daddy
Timothy and Sideah*
