“ Brother, Today is full of memories of you as I reflect over our lives, we came up on the rough side of the mountain and God was there all the time, for that I am eternally Grateful to God...God call your name and you answered ....I told you that I loved you from the bottom of my heart because you always have been very Special to me, There is so much pain in letting go of love ones, but I realize it was your time, as it will be for us all. FOR I KNOW THAT GOD COMMANDED THE ANGELS TO MINSTER UNTO YOU AND YOU ARE IN THE PRESENCE OF THE LORD! I know this message will be delivered to you from me...

Love You To Life Always,  
Your sister Lou

“ *Horace was one of the kindest men I knew. He always had a soft quiet spirit. When we were neighbors in Deerfield we made it a habit to cut each others grass. Whoever cut theirs first would cut the others. When it took me too long to carry my trash away I would get home and it was gone and I knew it was Horace that did it. Horace and Darlene were two of the best neighbors a person could ask for. I know you will truly be missed. S.I.P Horace..*
