To my second family and the lost of my big sister by another mother Jacqueline D Cherry Dickens as I loving called her Jack. I will miss you dearly but so glad we got to spend time together when you were in Chapel Hill,NC recovering. We didn't talk everyday but when we did it was like we never missed a beat. To the my extended family there are certain people who touch the lives of those they know in a unique way and that was Jack. She befriended me at 12 years old and the rest is history.

God have given her , her wings and now she have peace and no more pain. I am grateful to have such a special person. With Sympathy and understanding most of all my prayers for the family in the days to come.

Love Your Sister By Another Mother as Jack would say Sharon Ann .
