“ *Hey, hey, hey was the greeting I would get when Ms. Manley saw me. We became close in the short time we worked together. She loved God, Whitney, her family and teaching. The smiles, conversations and life nuggets will definitely be missed. Whitney, please accept my heartfelt condolences and know that I'm a call away if you need me. Take your rest Ms. Manley. You fought a good fight and finished your race!*

“ I have known Jackie for many years now and I am very saddened by the news of her passing. I know she got her wings, but it doesn't seem real. Condolences to her family. We go way back in the 70's when she and I worked at Sunbury Elementary School. I'll always remember the time we spent together and shared many things. She will be missed. Rest in peace Jackie and someday we'll meet again!
