“ Mom. Thank you for being a beacon of light for all to see. You instilled so much in us during our time together. You taught us to be selfless and always be a helper to others. But most importantly you taught us how to Prey and put God first. Although I miss you so much, I'm glad that you are no longer in pain and you allowed God to get the Glory out of your life. You would always tell us: Though he slay me, yet will I trust in him. Thank you for being my Mom one of, the only people that I would let put me in my place. I Love You!! your "Strawberry".

*To The Family*

*"Some people touch so many lives in kind and loving ways  
They leave us lasting memories that shine upon our days"  
That is how Lafreda was. We grew up together on the same  
Street, we walked to school together, played at each others home, we  
enjoyed each others company, and she was a good friend, always  
A sweet and kind person. I hope your memories of her bring you peace  
and comfort.*
