“ I am so sorry to for your loss. Please in your spare time read Psalms 46:1 which says; God is a refuge and strength, a help that is readily to be found during difficult times. So please go to him and pour your heart out, for he is a reader of heart and only he know the pain you and your family are going through, and taste and see that he is willing and able to comfort you. Please find some help from these few words and facts in your time of need.
