“ Praise be to God for Mr. Gatling, whom was a blessing to our family early in life. Our family highly appreciate and respect him for who he was as a person, being concerned for others and not just himself. For his love and kindness toward us, we really appreciated his caring heart. Because of that, I believe God extended his days for helping to extend the days of others. May your family rejoice and always remember it's not always the big things in life that needs to be remembered, but the small that made a big difference. My prayer is that you all will become comforted by God Holy Spirit and presence. May His grace, mercy, peace and love always be with you. Dr. Charlene Long on behalf of the Long Family in Franklin, VA. Be blessed of the Lord!!!
