“ Yasmin and family so sorry to hear about your loss.

It is really hard to say goodbye to our love ones. Death leaves heartaches that no one can heal. Love leaves memories that no one can steal.

So, as you all are missing Jim think of the great times you all had together, the love you all shared, the many serious talks that you all had, and the list goes on and on.

Jim will live in your hearts forever for the many sweet memories you carry in your hearts are embedded there forever.

Lean on God, your faith, and on each other. God will definitely continue to walk with you all in days and months to come. We love you.
