“ Jaydee, as he was so fondly called, I remember you and send much love straight to the Heavens on this the first anniversary of your home-going to be with the Lord. Jaydee, such a kind and gentle giant you were. I will always remember that infectious laugh that you had. I miss you and may you sleep in peace, until the sounding of the trumpet. Going to Murfreesboro isn't quite the same without you being there. Much love and respect always to you.

“ Loving soul, kind spirit and a true friend. We worked together at Chowan during my work study and I would bring him a nice cold beverage a few times out of the week when he was doing maintenance. We made a good team at the Snack Bar. Mr. James always was on the up and up we talked about life, friends and family. We had a bond of friendship that was never broken he had a heart of gold and wouldn't trade that for nothing. If I had a brother this would be the guy. He will not be forgotten what a true friend. I hope that peace will find him to be a great joy like I did. Words will never say enough about this guy.

“ I am sorry for your loss please accept my deepest sympathy. I hope you will find your strength and comfort in Jesus promises of the earthly resurrection(Acts 24:15) and the renewed Paradise earth, where death will be no more and no family will have to mourn the death of a loved one.-Revelation 21:3,4; Luke 23:43. May GOD(Psalms 83:18) grant you peace and comfort now during this grievous time.-Matthew 5:4.

“ James Parker was one of the first people that I met when I moved to Murfreesboro seventeen years ago. He was a friend to my family and source of inspiration for my son during some trying years. A kind and gentle soul, he will be missed. May he rest in peace.

“ My thoughts and prayers are with you all at this time. I worked with James for several years and always enjoyed his company. Through many of those years, I struggled with life and finding my purpose in it. James was always there to listen, offer advice, and always encouraged me to do the right thing. My life has improved greatly since I left work, and I owe a great bit of that success to James Parker. I will miss him dearly, but will always hold a special place for him in my heart. May peace be with you all in these trying days ahead.
