I'm heartbroken about this I can't believe it. He was so happy and always smiling when he would come in the store (ahoskie Thrift store) he would talk to me and say we going to be together and get married. He always said passion I love you and take care. This really hurts. R.I.P buddy I don't know what happened to you but I'm going to miss you coming in the store smiling and giving me a rose. I still have the t-shirt you gave me.

“ *I will always miss you. I'll miss you for how positive you were, how of a great helper you were and never complained. I'll miss you for every smile you always kept on your face even when faced with challenges of your own. I'll miss you for teaching me how to read when I was alittle girl. I'll miss you for going to church every Sunday ready to hear and learn the word. I'll miss you for being the light in our family and to others. You have gained your wings! I will miss you cousin Calvin ❤️🙏*

“ My heart ❤️ is full of pain and aching because it was too soon for you to have departed from us. Calvin you always brought smiles and joy to us whenever you came around. You were a living truth and bold to get the word out about JESUS. An inspiration you were to all of us teaching from our youth what we should learn and know how to be book smart. You told us to say NO to drugs. Calvin you came around to take the kids to the park or ride them out to the store. You had patience and you spent time and showed an abundance of love to everyone. You made sure at times u didn't come see the kids empty handed. I wished all of that was appreciated a lot more. This one is a real tragic because you are gone like really gone from a gun violence. A nightmare that I wished wasn't real we need you and now all we can do is fulfill your purpose. Read, Live, Love, & Be Kind so we shall meet AGAIN. I Love YOU COUSIN CALVIN 💋💋💕🙏 Young Buck as you mostly said to young children. SIP YOU ARE FOREVER MISSED BUT YOUR SPIRIT WILL LIVE THROUGH THE LIVES YOU TOUCHED

“ *Rest in Power Beloved Nephew, Calvin!*

Your spirit was to always help others--to lend a hand in whatever was required.

You had a heart of love that the whole world witnessed, in spite of your many challenges!

Proverbs 3:27-28 Do not withhold good from those to whom it is due, when it is in your power to act. 28 Do not say to your neighbor, “Come back tomorrow and I’ll give it to you”— when you already have it with you.

“ *I lived in Perry Town most of my teenage life so I definitely remember my classmate James. I remember how they all played basketball every Sunday on the corner with my cousins. This is tradgedic but God is able to heal broken hearts. I pray for the family and I am so sorry for your loss.*

“ To My Cousin Who Passed Away To Soon. You were like a brother more than a cousin. My eyes filled up with tears as I heard the news.

It never occurred to me how much I could lose.

I find myself wishing that it wasn't real.

Every time I think about it, pain is all I can feel.

Tears fall from my eyes; I can barely see,

But my heart tells me that he'll always be with me.

I'm glad he feels no pain now; he lives in a perfect land.

I can still feel the soft touch on my shoulder of his loving hand.

I lie in bed and cry at night,

And I don't feel any better in the morning light.

I will love and miss him forever,

Until the day we are again together.

Together in that perfect place above,

Filled with caring, sharing, and love,

But until that day comes--I will wipe my tears away

And hope to see him again someday. Rest in peace Calvin! You will surely be missed. Love you forever more, Nee Nee 🙏🌹❤️👶
