“ I feel blessed to have had Janice part of my work family for 17 years. I think some our fondest times was talking about our grandbabies. My granddaughter and Aiden were born 2 days apart, and we talked about them all the time. She'd always tell about something he'd done and say "that boy is something else!" I'd always tell her he had spunk! She loved her grandkids so much, she'd glow when she spoke of them. They were her joy! She loved her family so. I will miss our chats and laughs together. Peace and love to her family, and friends. I will really miss her, my friend.
