Joan and I were friends and classmates all of our school years. We switched our high school together, leaving Calvin Scott Brown High School to attend Murfreesboro High School. And we almost missed our graduation because we went to Rocky Mount NC to pick up my sister, Alice E. Jones. I had a 1957 Chevy and the lights were slowly going out and it started to rain so we had to put our hand out the window to make the wipers work. Yes we got to the graduation but it had started the students were walking down the aisle. And because Joan was short Mrs Wiggins had to place her in another spot after she had given us both a quick talk. But she didn't say a lot to me because I was tall and got in my place that I was assigned. We were just so glad to walk across that stage for the last time. For the summer we decided to go to Atlantic city NJ and work for the summer. Joan got sick in November with a bad cold and returned back home. Shortly afterward I returned. But we were good again . This time we separated. she went to Georgia and I went to Washington DC. And we met up again after we both retired where we started, Murfreesboro NC. She and I were the best of friends and shared so many memories. She will forever be in my memories and always in my heart and a very good friend. I am proud to have had you as a true friend. And I shall miss you but never forget you.❤️
