Joan, we want to thank you for being you! You always showed us love. We have been like family since we met in 1979. You loved our family, and we loved you and your family. We will miss hearing you fuss in support of those Dallas Cowboys. You were a devoted fan.

“ My deepest condolences and sympathies for her entire family. I and Zariah are truly thankful for the life of love you showed us. You took great care, and concern for our baby girl! You have been an intricate part of her life since 2 years old...and we are forever grateful! The beautiful, smart, intelligent, and God fearing young lady she has become has several of your attributes and input written all over her. So you will live on in our hearts, in our home, and through our baby girl Zariah!!!! We shall meet again Joan and again i thank you and I love you!
