“ *It was a pleasure to have gotten the opportunity to work with Ms. Southall at Bertie Middle School. Even though I was only blessed with her presence for a brief period, I immediately grew very fond of her beautiful spirit. She was more than a valuable jewel and will be truly missed. Her hard work, dedication and love towards the students at BMS was evident. May God continue to grant her family the comfort, peace and love needed to smoothly transition.*

“ I'll never forget the day I pulled into Public Storage and met an angel named Joan. I was stressed and weary and God gave me one of the best friends I've ever had. I'll miss you more than I could ever express but I know now that you are resting in the arms of Jesus and there is no more pain. I celebrate your life and the fond memories that we created.

Family, may you find comfort in knowing that God will give strength to endure doing your alone time.

Love,
