“ Granddaddy you were a man that remain himself no matter what anyone would say or think. I love you for always being genuine with your love for me. Although I use to hate when you called me Mrs. Florence. But oh how I would give anything to hear you say it one more time. Now all I have left is the memories of our long talks and laughter moments. Oh Grandpa my heart is so empty right now knowing that in January when we celebrated your last birthday. Who would've of know that this pandemic would stop me from hugging and kissing on you one last time. You rest on PaPa you have completed the task that GOD gave you. Well done in your well doing. Grandpa the tears roll as I'm writing this. I'm glad you always knew how much you meant to me and how genuine every moment we shared touched my heart forever. Wish I could've shared this last gift that I was holding

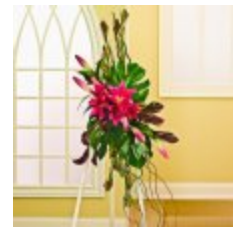

*Love You and until we meet again rest easy!!
