“ To the family of Johnnie Miller: I went to school with Johnnie and he was one of the nicest people that anyone would've like to have met. He was always a caring person and real good friend. He had a wonderful personality and over the years I thought about him often. He will be missed sorely by all who knew him.

Rest in peace my friend and classmate.

“ To The Family of Johnnie Miller: We have been blessed to claim Johnnie as our friend. Though he came into our lives only a relatively short time ago, we have come to love and appreciate him in so many ways. Indeed, he became a friend whom it seemed we had known and cherished for a long time. We shall miss time shared with Johnnie and the way he lifted our spirits with his laughter and appreciation for the smallest kindnesses we were privileged to extend to him. Life will be somehow diminished just knowing that his smile and caring spirit are absent, but his presence will always be felt through our memories. May the Lord bless and keep you and the peace of Christ our Lord comfort and uphold you.

“ Just wanted to drop a note and say how sorry I am for your loss. I only new Johnnie for a short time, but we became good friends. He was a kind and gentle man, who, in my experiences with him, was always wiling to put others before himself. My family and i, including my wife Sharon, and my parents, Jerry and Carolyn Smith grew to love Johnnie and always look forward to seeing him. Often and Saturday mornings, Johnnie we spend a few hours with my parents. I know that they will cherish the time he spent with them, enjoying a hot cup of coffee and talking about the events of the past week. Johnnie was like a member of our family who cared deeply about us and felt the same about him. My God cast his light upon you and be with you in the coming weeks. We will certainly miss Johnnie, but, because of his presence in our lives, I know he helped to make us better, more caring people. God Bless You.
