“ Its hard to believe that Joseph is gone. We were next door neighbors in Ahoskie. A person that made you feel safe when you were not surrounded by the nicest people. He did so many nice things for me. He set up my music system, my spectrum internet and an unusual dish rack, a bulb for my back up light. He was so helpful and knowledgeable about so many things. He really watched his association and I thought that was special since I am the same way. He was just the nicest neighbor anyone could have. He will be truly missed. My condolences and love go out to the family especially his wife Susan my dear dear friend and his children. May Jehovah keep him and you in his memory.
