“ Aunt Joe, I'm glad we had our last video call on that Monday. I will forever remember that smile, that chuckle of yours. You had a way of making me feel like the most beautiful girl in the world. You talked to me with gentleness, never judging. I will forever cherish our talks, our hugs. There was none other like my "blowsy". I love you.. Then, now, and forever. You named me "Toi".. and you always made me feel special. Rest In Heaven..
