“ *Keisha I didn't ow your Mother personally but I knew some things about her and that was she was truly loved by you and your other siblings. I know how you feel because I lost my Mother and it hurts. You only get one Mother. But God is able to see you through this in the days ahead. My prayers are with you and your family. Look to the hills from whence come your help. All your help comes from the Lord. She has gained her wings and is in God's arm resting til we all meet again.*

Love you Mother Mary Brooks.
