“ Juanita was my sister-in-law. She and I had a sister-in-law bond that I really enjoyed. We loved and trusted each other. We encouraged each other. We laughed a lot together. She was all about family. We need more people like her. I will miss her terribly. I know she is resting now.

“ I will never forget our trip to Los Vegas September 10, 2001 the day before the twin towers were attacked, we were so bless that we left the day before, because all air traffic had to land, mid flight to it closest location and was stuck their for a couple of days, thank God we were already at our destination. when heard the news the next morning, attack and New York, We both went into a panic until we contacted our sons and they put our minds at ease, saying all is well in Mt. Kisco. So we got an extended vacation in Los Vegas on the house, which was just great.

*To the family of Juanita, my dearest friend;*

*Words can't express the void this experience of life brings our way, but we will all meet again one day, that's a promise from the Lord, because I know that Juanita is and was a believer in the Lord Jesus Christ.*

*John 11:25-26 Jesus said I am the resurrection and the life. Whoever believes in me will live, even though she dies, and whoever lives and believes in me will never die.*

*Bless you James and all your family, now is a time for healing which will take some time, but if ever you need me, just call. Love you all.*

*With deep sympathy at this difficult time;*
