“ My heart is truly heavy but I'm at peace knowing that you're no longer in pain! I will forever treasure every laugh, all the talks, and love you have showed towards me! Although I married into the family, I have never felt like I wasn't one of yours. We will continue to take care of "your little baby" and I promise not to make her cry. You will truly be missed Mr. Pat but your legacy will live on! Rest In Peace Mr. Pat! I Love You!

Love,

“ *Mr. Pat was more than my father in law, he was like my dad. I got an opportunity to share moments with him that I didn't share with my dad and those moments I will miss. The evenings when I get off of work and Saturday mornings will not be the same but I rejoice in the Lord knowing that we will meet again. Mr. Pat left an amazing legacy that will live on through the family. I'm thankful for being a part of his family and for having him in my life for all these years. RIP dad and I love you dearly.*

“ HI I am so sorry for your lost. I remember when the pool first opened in Winton and Mr. Pat wouldn't charge us a quarter to take us there and come back to pick us up.
