“ It seems as though it was just yesterday when we spoke over the phone, yet God in His infinite wisdom already had His plan in place to bring her home with Him. Hallelujah, she is now with the lover of her soul!! I only got to know her briefly, but for the little time that I was blessed to have met her, it was a great joy to be in her presence. I rejoice in knowing that the Word of God says to be absent from the body is to be present with the Lord.

Sis. Kathleen will be truly missed.

“ God looked around his garden and found an empty space. Then He looked down upon this earth and saw your tired face. He put his arms around you and lifted you to rest. Gods garden must be beautiful. He only takes the best.
