“ *My heart is broken to hear of the passing of Kathy. She always loved to stop by businesses to chat a minute and was always willing to do what she could to help anyone out. She had a good heart and will be missed by many.*

PS

Kathy was a very quite lady that tended to her own business. I never heard her down or speak evil of anyone. She was generous, caring and and always willing to share with others what she had.

She will be remembered for her kind, gentle and sweet spirit.
