“ *Sherri, Alfred, AJ, Ryan and Brittani, from my family to yours, we are sending our deepest condolences. Keith is in the arms of God almighty where there is no more pain. He is resting in Paradise and as in 2 Corinthians 5:8 We are confident, I say, and willing rather be absent from the body, and to be present with the Lord. We love you and will continue to pray for our dear family*

“ I only knew Keith the past few years as one of his personal bankers. He spoke to me at times with teary eyes about missing his parents, they were a constant in his life even after their passing. As bankers we often get involved in our customer's personal lives and share their joys and sorrows. We saw Keith often at our branch and we are all saddened at the news of his passing. Thoughts and prayers to his family and friends. May he rest in peace.

“ My 1st visit to Murfreesboro Keith and I went to the store and I was driving around 20-25 miles per hour. Cousin Keith said: "you better slow this car down"!!!! I said what is wrong he said look at the speed limit, which I did. It said 15 m.p.h.. I asked Keith where am I in Mayberry, he responded this is not the city. I remember Keith taking me to Franklin, Va. to shot pool and having a good laugh together. In later years we talked about how good God is to our lives. Rest in God,s arms my brother. John Sanderson.
