*When love has touched our lives it remains forever in our hearts.
The memories of our dear ones are kind that never die
But they just come to mean more as the days and years go by
....And may the special memories your loved one left with you
In some way ease the grief you feel and bring you comfort,too.
To the Wiggins Family I know Andre is in a better place singing
his song "Cooling Water" Be strong and continue to look to Him
who is able to keep you from falling.*
