“ Mr Kent was always willing to share race stories with the Jr drivers at the track when they would sit still long enough to listen. He encouraged them to enjoy their time at the track and to find a passion for racing so that they would continue long after their Jr days are done. Because of this his memory will be carried on at the race tracks for a very long time. Our family will miss his infectious smile and genuine love he had for others. Deepest Sympathies from the Logan-Thornton family.
