“ I would like to express my deepest sympathy and condolences to Kimya's family! I remember the day Kim and I met as little girls! We met down on Snipes Street in Ahoskie, while she was visiting her family! We became friends instantaneously! From that day we were best friends, no, we were sisters! We spent many days, weekends, and years together! We'd visit each other's home and just hang out! We especially liked harassing her older brother Andre whenever I went to her house! I have so many fond memories of Kim! I remember going to watch her run cross country during track season in high school! She was amazing, she had an awesome stride, and an elegance that showed when she ran! You could tell she really enjoyed running! Kim was the kindest, sweetest most sincere person I've ever known! To say that I will truly miss her is an understatement! She will forever be in my heart! I lost a true friend and sister when Kim passed! I just want everyone to know how special and rare Kim was! She was a real diamond with a heart of gold! I know she is at peace now! My heart will forever be missing a piece, but to her family, please know that Kim is deeply loved! I will truly miss my friend!
