Im at lil raymond house or with his sister Boodie. She had no problem doing stuff for him. They may have been so close because they share the same birthday. She will definitely be missed & I know Dre will continue to celebrate their birthday together. Praying for the Lee/Sutton family & all her friends.*

“ *Lakiesha was an extraordinary young lady with a smile that could melt anyone's heart. She was always happy and very respectful, both as a fourth grade student and as an adult. I remember her as being an asset to my classroom....and a daddy's girl. Raymond face would light up when he saw his Boodie. So would hers. She never forgot her old teacher and never failed to give me a hug and strike up a conversation when we met. My heart is very heavy now. My condolences to the family. May God comfort you during this your time of bereavement. Heaven has gained another beautiful flower. Be blessed.*
