“ *Sandra & Melanie: I am so sorry about the passing of Larry. I know it's hard to say goodbye and even harder to let go. No matter what, we are never prepared to face the loss of our loved ones. God will supply all your needs (comfort, strength, peace, and the courage to accept what has happened). There are no words to describe the hurt and pain you are enduring right now and the emptiness you will feel in your life and in your hearts in days and months to come. As you are missing Larry, think of the love you all shared, the hurdles of life that you faced together, the good times you had together, and the list goes on and on. Larry will live in your hearts forever. Know that many people love and care about you. Stick together and continue loving each other. This condolence is also written to the entire Wynn family. Rest in peace Larry.*

We met Larry through my oldest brother Robert Norman who worked with him for years at camellia foods in Norfolk va. And every since then Bro Wynn has been apart of the Norman family. We have so many memories down through the years from trips to Atlanta ga , King's Dominion, Bush Gardens also family reunions, birthday celebrations. He was always the first one to text you on your birthday he was always on time with that . When my father William H. Norman passed June 27 th 2021 Larry was right there supporting my mother Vernice Norman and the whole family even though we knew he wasn't feeling his best that was the kind of person he was Larry was truly a God send to the Norman family and will be greatly missed. Larry Wynn was the Norman family's adopted son , brother as it states in my father obituary he was a True man of God always smiling, laughing and encouraging those around him. I thank God for my Brother Wynn and the life he lived. We will remember him through so many pictures together and family dvd movies Larry will be greatly missed by us all. “ Larry meant so much to our family. Our hearts go out to his family. He was such a big help to our elderly parents who are in an assisted living facility. He was so understanding and patient. He was an advocate for them and kept them out of trouble. He was so kind and took care of our parents as if they were his own. Often during the Pandemic, Larry was our only link to our parents. We are so grateful to have had such a caring person to help our parents and help us. He became a part of our family, and there isn't a day that goes by that we don't think of him. He was such a kind person and touched so many others besides just our family. We were blessed to have him while we could. Larry, thank you so much. You will be missed, but we know that you are in a better place. Take care, the Schlattman family.

“ Larry was such a sweet, spiritual, joyful person. Always smiling, encouraging and inspiring. I've known Larry all my life. We grew up together in Portsmouth, Virginia. His entire family and mine grew up and attended St. Mark Baptist Church together. Larry always visited and kept in touch with us whenever he came back to Portsmouth. Never forgot his friends here and always attended their funeral services. Up until his health failed he would still visit my elderly parents, Dr. & Mrs. Percy White just to visit and to check up on them. They loved seeing him and looked forward to his many visits. What a loving and caring spirit. We will miss him deeply. My sincere condolences to all of his family.

“ To Sandra & Melanie;

With heavy hearts we just want you to know that we care about you and share in your sadness. The Bible says that the fruit of the spirit is love, joy, peace, longsuffering, gentleness, goodness, faith and meekness. These were the amazing qualities of an amazing person my friend, Larry Wynn. Wherever a beautiful, kind and gentle soul has been there will always be a trail of beautiful, kind and gentle memories left behind. May God give you peace that surpasses all understanding during your time of bereavement.

“ My Cousin Larry, we were in touch almost every day.,
He was such an inspiration, an encourager on life's highway.
Several years ago, the doctor said, " You have cancer, not much
time to live,
Larry knew the doctor had neither life nor death to give.
He trusted his heavenly Father, prayed and sought His face,
Hos life was extended many years because of God's amazing
grace.
A few years later, the cancer came back,
And once again, his body was under attack.
Dealing with a disease that brought suffering and pain,
Yet found reasons to be grateful and never complain.
He always said, Audrey, I'm not worried, God's got me,"
With eyes of faith, that's what he always chose to see.
He truly loved family, never ceasing to be in touch,
That's why everyone in his life loved him so much.
Family reunions, homegoing services, he tried to make them all,
He was one of God's children who stood spiritually tall.
Inspired, encouraged, set an example, we can never forget,
One of th bravest, most, courageos children of God,, I have ever
met.
He had to be quizzed to get him to share health information,
Then he'd get right back to praising God in spite of his situation.
So full of enthusiasm,, smiling, joyful all the while,
That was the cousin Larry we all knew, that was just his style.
Never seen or spoken with him when he exhibited a bad mood,
Without fail, he always had a a grateful and positive attitude.
To say we will always miss him is surely an understatement,
But Jesus bided him to come home and shed his earthly tent.
God had prepared for him a beautiful, magnificent eternal place,
So that at the end of his journey, he would see his Saviors face.
Larry most certainly knew that physical death was not the end of his
story,
For he would live in the presence of Jesus where he would forever
give Him Glory!
Larry, I know you would not want us to be sad, you probably

*wouldn't want us to cry,
So for now, Our Dear Cousin, until we meet again, we'll just simply
say goodby.*

“How do you say goodbye to yesterday. Larry was one of the kindest people I have ever met. He never complained. Always had a kind word for everyone. He was truly an inspiration to me and everyone he met. He was one of the Angels that God had sent to change the lives of those of us he came in contact with and that he did. God has called his Angel home and he will truly be missed. Every one of us here at Home Instead, where we called Larry "OUR GENTLE GIANT" will miss him. Will miss that smile . Love you and will see you on that Great day when we are all together again. Sleep in Peace my Friend,
