“ *My sister, my friend, my bestie, my ride or die chick is what you were, still can't believe you are gone but I'm glad you are not suffering anymore. You fought as long as you could and the Lord said for you to take your rest, so you did. There will never be another chick like you in life because you were one of a kind and I thank God for ever getting to know you. I love you my sweet, sexy eyed sister and don't turn up in heaven too much. I'll see you when I get there 🥺🥺, so hold it down until then. Love you girl.*
