“ I met this wonderful soul at Hampton Woods in 2016, my mother in law is the property manager there and at the time my husband was maintenance so I was always there. Well one afternoon I noticed this adorable elderly man sitting all alone outside and I told myself, “Go join him Lylli!” So I did and since that day I’d visit him often. We talked for hours I would go into his apartment and hangout with him and Ms.Brenda, he was the most genuine down to earth human being and I’ll forever cherish all those moments I had with him. I miss him sooo much, I loved him dearly & I know he’s in a better place. May God test your beautiful soul my sweet angel 💜
