Tribute Wall

“ To The Family, To God be the glory for the things He has done. No more sorrow, no more pain. Heaven's rewards are hers to gain. Cherish the memories, remember her smile, separated for a little while. God's promise to us is if we live right we will see her again. Some days you'll laugh, some days you'll cry. It'll will get easier by and by. Look to the hills which cometh your help. Know your help cometh from the Lord. Love and Blessings From, Mellissa J. Ezell (P.S. I remember the good times we had. Never Forgotten.)###imported-begin###Mellissa J Ezell###imported-end##

“ To Lestine's girls
Don't think of her as gone away, for her journey's just begun, life holds so many facets and this world is only one.
Just think of her as resting from the sorrows and the tears in a place of warmth and comfort where there are no days and years.
Think how she must be wishing that we could know today how nothing but our sadness can really pass away.
And think of her as living in the hearts of those she touched... for nothing loved is ever lost and she was loved so much.
With that, we the Barnes and Minter(Cindy) would to express our sincerest sympathy in your sorrow. May the Peace of God continue to Strengthen and Comfort.###imported-begin###Cindy Barnes###imported-end##
