“ *Rest In Peace Grandma! You will truly be missed. I will forever remember you affectionately fussing at us and using the term "devilish". (Lol) I will always remember how you loved to take care of your family and what family meant to you. This showed by your actions how you got up early to prepare breakfast for us while we were sleeping, dinner was ready just after noontime, and you always kept those twin ice pops for us grands! I miss those days and you will forever live on!!! Love you Grandma!!!*
