“ I have always known Lorenzo to be fun loving, a sharp shooter with a rifle (he first taught me how to lock and load) a harmonic singer, great with children (as a loving uncle he took care of our two sons Steven and Jason for several years, while we were at work, you were their favorite uncle Lorenzo) a loving brother in law (a gentle giant that always had me laughing and was always kind) and a loving brother that Steven will always love and never forget.

With tears in his eyes last evening Steven shared many fun, adventurous and loving moments that the two of you enjoyed.

Our hearts are truly broken because we miss you, however we pray, that all have learned the pleasures of life, from our dear Lorenzo.

*Sincerely,
Antionette*
