“ *My Mae Mae! Oh what a beautiful soul! She was there for me from the time I was born til I was 9. I can remember her telling my older sisters to "leave my baby alone" when they had to clean their rooms or whatever other little "job" she would give them and I didn't have to do anything. She spoiled me and was always there when I was sick. I can remember a few times when I got sick when she was hime, and I wouldn't sleep or take my meds unless my parents brought her to me. No matter what time of the day or night, she was there when I needed her! When I got married, I made sure she was on the row behind my mom as my VERY SPECIAL GUEST! She WAS my second mom! I learned how to treat people just by watching her. She LOVED EVERYBODY! I know she is in a better place because she is right where she belongs! Singing to God! Mae Mae tell my dad hello and give him a big hug from me! I love you always!*
Your baby,
Bobbi

“ *This is so hard but I know she is in a better place. She was my second "mama" because she helped raise me from the time I was born until I was 12 yrs old. She was the most amazing woman ever. She taught me so much about life, how to be a good person and she loved me and my sisters and my mama and daddy so much. She was with us Monday-Friday from 8am until 5pm....she was FAMILY and she will be missed soooo much. I just hope her and my Daddy are up in heaven having a great ole big reunion and will be waiting for us all to be reunited that one sweet day when we are all called home to be with the Lord. Rest in peace Mae Mae.....and Fly High Angel!!! Donnell, you and your family will be in my thoughts and prayers to get through these next hours, days, months and years...Sure did love this lady and you all too!!*

Ms Dinnie always called referred Dinnie and Andre as "my boys". Your mom always saw the good in people and was always encouraged a person when things in ones' life was not so good. You will miss her , just keep all she has instilled in you and you all will be ok.*
