“ Tomeika, TyRhonda, and Ronald I send my deepest condolences in the passing of Marion. This really hurts, we grew up together. Marion was a sweetheart of a woman. I don't know if I ever heard her raise her voice. I will miss her sending me messages asking about my brother. She always said tell him I love him and I asked about him. At the end of the message she would type "I love you cuz." I'd type back I love you too. And Marion we do love you and we will miss you. One link is missing but we must pull tighter together so that no one notices the hole in our hearts. Love you all!!
