“ Such a tremendous loss for the family and Marvin's friends. A beautiful person inside and out. The love he had for family could be felt in a phone call. Marvin always said no matter the distance, family is family. You have friends who become family and you have family you may need get to see often but when there is a connection that's when the true meaning of family becomes heartfelt. Today, Friday November 28th, will be etched in my mind and heart forever. You're greatly missed and loved Marvin! 💜

“ I will miss my friend and fraternity brother for the rest of my life. When we pledged Omega Psi Phi Fraternity Inc. I was number 19 and Marvin was number 18. Marvin introduced me to my late wife Felecia Speight when we were all students at Long Island University in downtown Brooklyn N.Y. and without that introduction I would not have been blessed with my two wonderful daughters Alecia and Alliyah . Marvin was the best man at my wedding and godfather to my first born Alecia. He was a eternal optimist and a loyal friend through thick and thin. Truly my brother. I have to believe I haven't lost him because his memory will be with me always. He has transitioned to a blessed existence which is much deserved. It was an honor to call him my Sands. Love you always Marvin. God bless your family.
