“ Aunt Ann is how I knew her. Though she was my cousin and my god mother. I'll miss the times going to her house for a cook out or just to visit on the weekends after church. I used to go over and play fight with my cousin Jason and John John. My grandma , Pauline also known as Shout and her were very close. And we are both saddened to hear this. My grandma has so many photos but here are a few. This is Aunt Ann with me and my grandma. And some others. One thing I will never forget my grandma saying is , Aunt Ann shopped til she dropped. I used to hate going to the stores with them growing up, my feet would be tired and so would I . You will be missed Aunt Ann, I love you.

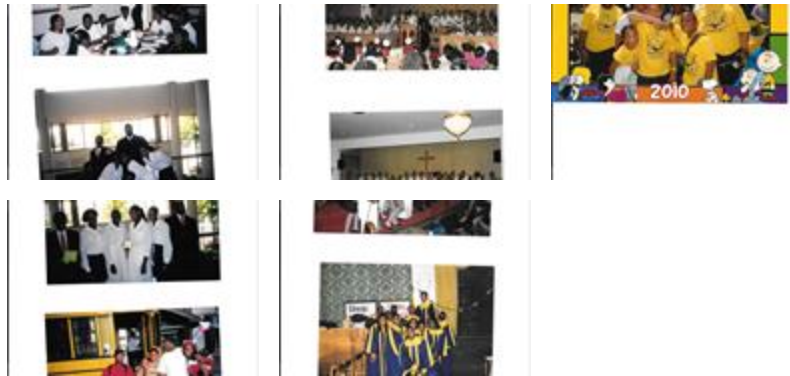

Love ,
Britany Lee
