“ Mary was blessed with a name that foretold of who she is. Always caring, helping, and doing the impossible to make life better for everyone around while smiling that beautiful smile.

That smile and laughter she brought others, along with a little stubbornness at times, only enhanced her constant giving and kindness to everyone she knew or was about to know.

May God Bless You Mary, you're home now.

I wish I could be there with you all

Love, Jjeanette
