To all of the family of this beautiful lady, you are all loved. My Mama loved this lady more than she loved me. If it could be done, Mary Sharpe could do it and Susie Nichols would have given her life for Mary on any day of the week. Having had the pleasure to work with many of the family, I want each of you to know that you are in my thoughts and my prayers. Fly high, my friend. You have now seen GOD'S face.
