“ Its just me again grandma, Kaila. So much has happened since you left me. I really wish you were here! There's so much I want to tell you! I'm in college now on a full scholarship just like we always talked about. My grades are great. I know you would be so proud. I think about you every single day. Kenyel is 13 now and he's finally getting bigger. Him and my dad are starting to get really close. Im so happy for that and i know you would be too. My dad loves us to death and I really wish you could see the strong father you raised now raising his children the best way he knows how! Some days I sit and think about you and how i should have visited you more. I will always regret that, but I know your love for me hasn't faded one bit because of it. I don't know why you had to go so soon grizzly!!! Please continue to watch over us my angel, continue to give me that courage when I give up on myself, but most of all keep my dad strong because he loves all of us so much and i need him around!! I LOVE YOU GRIZZY!!!! You'll be in my heart forever beautiful!

ps here are some pictures!

“ *I am so sorry for your loss. The Bible provides comfort during these difficult times. Revelation 21:3-4 states, And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away. Very soon now, we will never experience losing our loved ones in death. Hope these words give you a new hope.*

“ To: Hilda, Patricia, Charlotte, Polly, Vernon and Varin

I so enjoyed my recent visit with Maxine, we talked about the good times we shared, our children, being a grandmother, and our sisters. Max as I called her was a dear freind to me and my family when we lived in the county. We will miss her and will always cherish her friendship. Do remember when God picks his angels, he picks the prettiest , the best and strongest. She has gone to a better place.

*We love you all,
Gloria Creecy and Family*
