“ *Rev. Futrell always stated "I just stopped by on her way to Heaven" to let us know this or that. She is up there now with the Father and Big Brother with that same smile on her face. There will always be an empty space in my heart. for Rev. Futrell. I miss her and she knew I loved her very much. So we need to continue on with her legacy and Keep Looking and Keep the Faith because it won't be this way always. Weeping may endure for a night but joy will come in the morning. Love you all. “ *Rev Mazer Futrell served on the Board of Roanoke Chowan Christian Women's Job Corps since our organization began. This is another example of her Love of the Lord and dedication to his word to love others as you love yourself. She dedicated her life to helping others and in this instance helping other woman to put the Lord first in their lives and to help them grow and meet their goals and learn to take care of themselves. We all feel the loss of such a loving Christian spirit on this earth; however, we know she is with our Lord. Her love and gentle spirit will be so missed.*

“ On behalf of the entire Dolberry Family and the Mill Branch Baptist Church ,we would like the Futrell family and The Rock Church family to know,that we are deeply saddened to hear about the passing of Rev. Mazer Futrell. As we all know,we all too,have to pass this same way,but even with that knowledge,the reality of death can even challenge the best of christians. Just hearing about this,has really touched us tremendously,because we had such a deep personal relationship with Rev. Futrell and the family at one time before she went on and pursued the calling she had on her life. When we first got to Mill Branch,she served as president of our Mothers and Deaconess Ministry,and worked faithfully in several other ministries,and always could be counted on to be a spiritual voice wherever she served. She was definitely(to me) a true woman of God that stood firmly on her spiritual convictions,and would help anybody that she could. I believe that a testimony of Rev. Futrell would also be "If anybody makes it,surely I will!" So we pray for blessings,strength and peace of mind for her family and for her church family,and whatever we can do for any of you all(in any way and at any time),please just let us know! God's got it all in control and know that the hymnologist was true when he penned these words,"Be not dismayed at watever be tied,God will take care of you-beneath his wings,his love shall abide-God will take care of you)!

With our deepest sympathy and condolences and with love,

Pastor Ronald M. Dolberry, The Dolberry Family, and the Mill Branch Baptist Church Family

“ *My prayers go out to the family of my sister in the ministry, Rev. Mazer Futrell. I've known her and her family for many years. Mazer was a beautiful woman of God, with a beautiful spirit, and I'm so glad that the Lord led us to visit The Rock Church July 5, 2015, where she preached the sermon, "Let The Power Fall," I recorded the audio on my IPad that day. My husband and I really enjoyed Jesus with Rev. Futrell and The Rock Church that day. She loved God, her family, her church families, and she just loved people. She fought a good fight, and she will be greatly missed, but I hope that the family finds comfort in knowing that she's no longer suffering, but resting in the arms of her savior, Jesus Christ. Family we love you, and we are so sorry for your loss. God bless you Futrell family and the Rock Church family.*

“ *Rev. Futrell was a kind, loving person who loved the Lord. She always had a smile and I got to know her when I joined Canaan Missionary Baptist Church, where she served as assistant Pastor. I would enjoy bible study on Tuesday night and Sunday school because I knew that Rev. Futrell would make sure we understood the lesson. I will always remember her as a warm spirit. I can remember when she would start out to preach, she would start out easy and slow, but at the end she was like a mighty rushing wind and my husband would always call her "his big, little sister in Christ" because she was small compared to him. We, the Ballance family will always cherish her memory. Our prayers go out to her family and her church family. Love, Rev. Corey Ballance, Sr and family.*

“ I've known Rev. Futrell my entire life. Not only was she my pastor she was like family. In 2013 Rev. Futrell provided pre-marital counseling and married my husband, Joshua, and I. She was amazing!

Mazer, as I've affectionately called her since I was a child, has always been a beautiful person. She was always full of love, joy, and inspiration. She knew exactly what to say to keep your spirit encouraged. But more importantly, she was full with the holy spirit. This woman knew God and allowed him to use her in everything she did. She was truly an angel and my life has been blessed just because I had the opportunity to know her. I love you Rev. Futrell, always have, always will. I will miss texting you. I will miss seeing you when I visit Ahoskie. I will miss your angelic smile and the powerful word you always delivered at The Rock. I will miss our chats after church. I understand that our time here on Earth is limited but it is always difficult to see someone as precious as you leave. I find pure joy in knowing I may see you again one day. Thank you for all you did during your time here. Rest peacefully in the arms of the Lord for I know heaven truly celebrated when the gates opened for you.

With love always,

“ My Prayers goes out to the family of Rev. Mazer Futrell. I grew up with Mazer as we would ride the bus to school and play together. She was a very kind and beautiful person. They say God only takes the best and God has called home a wonderful Angel. You're in my prayers.
