“ To the family my sincerest condolences to you on the loss of your love one. Mike, Charlie, Mina and I all rose bus 64 together o school for years, knowing them as classmate until I learned my 1st cousin is their sister(Kathy) we all became really close like 1 big happy family. Mike will be missed. Know to be absent from the body is to be present before the Lord. We know the Lord makes no mistakes and He will never take someone near and dear without leaving you a comforter to be with you throughout this heartache. Love you all. Terri
