“ Yasmin: We are so sorry about the passing of your brother. We didn't know it until today. Even though we don't know your brother and your family, we acknowledge the fact that we've lived in the same community and on the same road for years. It is really hard to say goodbye to our love ones. Death leaves heartaches that no one can heal. Love leaves memories that no one can steal. So, as you all are missing Michael, think of the great times you all had together, the love you all shared, the many serious talks that you all had, and the list goes on and on. Michael will live in your hearts forever for the many sweet memories you carry in your hearts are embedded there forever. Lean on God, your faith, and on each other. God will definitely continue to walk with you all in days and months to come. We love you.

“ OI Doc Spruill is what I knew him as. Me & my wife met him over 30 years ago at Ft. Leonard Wood, Missouri and met up again at Fort Hood. He truly was an awesome person as he helped take care of my lawn while I deployed multiple times. Always in a great mood and positive person. He'll truly be missed.

“ This news hit us hard....Doc was our neighbor in Killeen, Texas for over 20+ years! He kept the yards and landscape of so many houses looking picture perfect! Doc never met a stranger! He was honest, genuine and always ready to lend a helping hand. There was nothing going on in or around the neighborhood that Doc didn't know about.... LOL! Many days my husband and Doc spent at The Patton's Inn playing dominoes and at The Bowling Alley on Ft. Hood! He was known and loved by so many and will truly be missed. Rest Easy DOC... Rest Easy

“ Michael, aka “Doc” will forever be my friend. Such an amazing man that would take the shirt off his back for people. He believed in hard work, was opposed to relaxing, and would always place others needs before his own. I’m sure everyone who has known him for an extended period of time have heard the lectures of buying a Chevrolet, using premium gasoline, as well as what he called the big 3 in lawn care. I miss you doc. My thoughts and prayers go out to Michaels family and his vast group of friends. He will be missed by all.

I’m one of the people that would miss him the most. I will never forget him helping me doing remodeling at my rental. I remember I asked him to help me after evicting a rental and my rental was basically destroyed. I chose to let house sit for a few months. He asked me when we going to get started? I basically was fed up with renting and let someone stay there free while I paid mortgage. He went down and cleaned out house and told me after he did it. I said if another person can take the initiative on someone’s property I need to swallow my pride and get going. I want to say thanks Doc in the loudest voice so everyone can hear me. Thanks you will be missed
