“ *To Leslie and Family,*

I have so many great memories of Myrtle. She and Walter gave me my first set of luggage, when I attended college. Myrtle trusted me to drive her stick shift VW to take her to the doctor, when she was pregnant with you Leslie.

My wedding rehearsal dinner was at their home, and they allowed Paul to spend the night there before the wedding. I remember attending her family's reunion and they came to Paul's family reunion in Petersburg. She did not mind that I didn't call her Aunt Myrtle because she felt like an older sister and treated me that way.

She will be missed. Remember, "Earth has no sorrow that Heaven cannot heal." May God give you the strength you need to get through this most difficult time.

*Love you,
Cousin Jackie (Wolfrey) Robertson*

“ I am so sorry to hear about the passing of Mrs. Myrtle. As a child, I always enjoyed visiting her home. She was such a kind, warm, and welcoming person, and she always made me feel special. She had a beautiful spirit and a genuine kindness that touched so many lives.

I am grateful that I had the opportunity to see her a few years ago at the alumni basketball game and spend a few moments reconnecting. That memory will always be cherished.

Please know that my thoughts and prayers are with the entire family during this difficult time. May God provide comfort, strength, and peace in the days ahead. Mrs. Myrtle will be deeply missed, but her kindness and the impact she had on others will never be forgotten.
